

Established in 2016, Community Classical Christian School provides Christian education for families who desire a Christ-centered classical curriculum. The school serves students in 1st through 12th grades in a traditional five-day schedule.

Community Classical Christian School embraces the micro-school framework with a classical, Christian worldview.

The micro-school framework “...offers students a personalized education and caters to a student’s unique needs and capabilities. Because micro-schools are small, students receive far more individualized attention than they would receive in a traditional school. Many students thrive in this type of educational setting.” (<https://spn.org/blog/what-are-microschools>)

Community Classical Christian School has limited space for new students. For information or application, please leave a message at 609-471-1050.

“Study to show thyself approve unto God, a workman who needeth not to be ashamed, rightly dividing the word of truth.”
